ATTORNEY PROFILE

Alysha Yagoda is a business, real estate, and corporate attorney. She often assists development companies, investors, and mortgage lenders in complex commercial real estate transactions, with particular emphasis on the acquisition, development, and disposition of multi-family projects as well as the financing and development of residential properties. In addition, Ms. Yagoda has represented commercial lenders in vessel financing and other transactions involving maritime collateral.

Ms. Yagoda previously clerked for the Honorable Ann Schindler of the Washington State Court of Appeals and served as an extern for the Honorable Andrea Darvas of the King County Superior Court.

Prior to law school, Ms. Yagoda worked as Coordinator and Administrator for the Human Subjects Review Committee at the Seattle Institute of Biomedical and Clinical Research. There, she screened proposals to ensure design and performance of human subjects research protocols met federal, state, and institutional regulations and policies and advised committee members on applicable regulations, guidance protocols, and institutional precedent during review of research protocols.
