ATTORNEY PROFILE

Kyle Straughan is an associate in Karr Tuttle Campbell's Emerging Growth, Intellectual Property, and Technology practice groups. He earned his Juris Doctor from the Seattle University School of Law, where he was a lead article editor for the Seattle Journal of Environmental Law.

After law school, Kyle worked in-house at a telecom company for a year. Then he worked in the Intellectual Property group at Betts, Patterson & Mines supporting intellectual property prosecution, transactions and litigation. Most recently, Kyle worked at Ruttler Mills in their patent and trademark practice groups where he counseled emerging companies and startups.
